

United States Department of State

Washington, D.C. 20520

JUL 25 2003

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction described in the attached certification involves the manufacture of Rate Gyros in Sweden for the export to, and end-use by, the Indian Army in the fire control system of the ARJUN Main Battle Tank.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 021-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
